Professional Summary

Motivated Computer Science graduate with skills in Python, Java, and SQL, and basic experience in machine learning and web development. Familiar with React.js, HTML/CSS, and Git. Quick learner with strong communication skills, eager to contribute to tech-driven projects and grow in a collaborative environment.

Education

B. Tech (Computer Science)

Parul Institute of Engineering & Technology, Parul University

2019 – 2023

Skills

- **Programming Languages:** Python
- **Machine Learning:** Supervised and Unsupervised Learning, Model Evaluation
- **Web Technologies:** HTML, CSS, Bootstrap, JavaScript, React.js
- **Databases:** SQL
- **Development Tools:** IDEs (VS Code, Anaconda), Version Control (Git, GitHub)
- **Operating Systems:** Windows, Linux

Projects

Used Car Price Prediction System

- Built a machine learning model to determine the market value of used cars based on multiple factors.
- Used Python libraries such as Pandas, Scikit-learn, and Matplotlib for data processing and visualization.
- Ensured accuracy and reliability for better decision making by buyers and sellers.

Todo List Web Application

Tech Stack: React.js, JavaScript, HTML, CSS, Git

Developed a responsive Todo List application with a user-friendly interface and persistent task storage.

- Implemented full CRUD functionality: add, edit, delete, and toggle task completion.
- Integrated localStorage to maintain tasks across sessions.
- Added dark/light mode theme toggle to improve user experience.
- Used Git for version control and pushed the source code to GitHub.

Soft Skills

- Strong problem-solving and critical thinking
- Effective verbal and written communication
- Adaptability to new tools and fast-paced environments
- Attention to detail and delivering high-quality work
- Continuous learning and growth mindset
- Capable of working independently as well as collaboratively in team environments.

Hobbies & Interests

- Exploring emerging technologies
- Playing cricket and engaging in team sports
- Listening to music for relaxation
